21 Per Cent Regain Sight At Dibble

MENLO PARK—Twenty-one per cent of the blind patients on Dibble General Hospital's blind rehabilitation program, begun early in 1944, have regained partial vision.

Out of a total of 269 patients, 156 have transferred to Old Farms Convalescent Hospital, Avon, Conn., for further courses and orientation; 57 have been discharged from the program with their vision considerably improved; 39 still remain on the program.

Dibble's two-fold program of surgical treatment and rehabilitation draws its strength from the surgical and medical staff and from well-trained orienters. The program's schedules weave in and out of the regular hospital activities, the Red Cross programs and general recreation as the patients' adjustment progresses.

Special courses include braille, typing, occupational therapy, orientation, and music. In addition, there are Red Cross readers, weekly dances, special recreational trips, and many other special activities.

Tidal Wave Scenes Sent to Washington

George Dunn, publisher of the Half Moon Bay Review and member of the Half Moon Bay Breakwater Committee, today said photographs of damage caused by the Apr. 1 tidal wave would be forwarded to Congressman Jack Z. Anderson to urge construction of a breakwater.

"We wouldn't have had this damage at Princeton if we had a breakwater from Pigeon Point," Dunn said this morning, during a visit to Redwood City.

Army engineers are now at Princeton to survey a possible site and compile data on proposed construction of a breakwater which according to proponents, would make Half Moon Bay a major harbor for the Coast's purse seiner fleet, would prevent erosion, and would enlarge industrial potentialities on the Coastside.

Asks $3235 Damages For Auto Accident

Ernest R. Malinson, carpenter, Monday filed suit for damages against Paul Black as the result of a Nov. 23, 1945, automobile accident in Belmont.

Malinson asks $2500 general and $735 special damagaes plus costs of the suit.

Seven Hospitalized by Accidents In S.M. County Over Weekend

At least seven persons were confined to San Mateo County hospitals Monday as the result of a series of weekend traffic accidents.

At 12:05 a.m. Monday, four persons were injured when a car driven by Mrs. Evelyn Ryan, 38, of 251 Pacific Ave., Sharp Park, left the Coast Hwy. and careened down a 20-foot embankment at Paloma Ave., California Highway Patrol officers said.

Mrs. Ryan and William R. Snead, 46, of Rt. 3, Box 299d, Los Gatos, a resort owner, were en route to Reno where they planned to be married, they told patrolmen.

The two were taken to Community Hospital and they were in "fair" condition Monday. They suffered numerous lacerations.

Challis Davenport, 26, of San Francisco, passenger in the car, suffered a fractured leg and abrasions as the car landed on its top. His wife, Ghetta, 22, suffered minor injuries.

Four Dibble Hospital soldiers and a San Francisco woman were injured late Sunday in San Mateo when automobiles driven by Arthur F. Dawkins of Dibble and Richard D. Mazza of San Jose collided at Bayshore Hwy. and Kilton Ave.

Injured were Mrs. Florence Golden, 25, a passenger in Mazza's car; Dawkins, 21, and three of his passengers, Angelo Mattei, 27, Albert Acuna, 22, and Robert Rose 21.

All five were treated at Mills Memorial Hospital.

Sunday at 5:45 p. m., John H. Amberg, 25, Treasure Island sailor, escaped serious injury when the horse he was riding collided head-on with a car on La Honda Rd., south of La Honda, patrolmen said.

Impact with the car driven by Glen C. Schaeffer, 26, of San Francisco, threw the horse and rider over a 60-foot embankment, CHP men said.

Investigation reports of the officers were turned over to the district attorney's office this morning.

Joclyn Cowger, 3, suffered only a minor head injury at 2:30 p.m. Sunday when the rear door of a car driven by her father flew open and she plunged to the pavement.

Glenn E. Cowger, 46, Oakland moulder's helper, told patrolmen the girl was with her sister in the rear of his car when the accident occurred on Bayshore Hwy. near Dumbarton Rd.

The girl was brought to Redwood City for emergency treatment.

Two San Francisco women suffered minor injuried Sunday at 9 a.m., when automobiles driven by Robert F. Sharp, 18, 213 Los Trancos Rd., and Rose C. Chaffee, 39, of San Francisco, collided head-on on Los Trancos Rd. south of Portola Rd. Mrs. C. Gereghty, 58, of San Francisco, passenger, and Miss Chaffee were injured, patrolmen said.

Luigi Sacchetti, 65, of San Francisco, and his wife, Emelia, suffered minor injuries Sunday at 3:15 p.m. when their automobile collided with one driven by Condy H. Bailey, 42, San Francisco trucker, on Skyline Blvd., near Alemany Blvd.

Kenneth Baikie, 21, San Francisco, and Lilla Morgan, 22, 5834 Colby St., Oakland, were treated at Community Hospital Sunday for minor injuries suffered when an automobile Baikie was driving ran off Bayshore Hwy. a quarter of a mile north of Brewster Ave.

Arrest Steam Fitter On Driving Charge

Walter P. Carlson, 34, San Francisco steam fitter, was released on $100 cash bail Monday following his apprehension on a drunk driving charge by two California Highway Patrolmen who reported a near-collision with him at Tanforan.

According to Officers Lloyd Minehan and Roy Edwards, Carlson's automobile jumped a curbing at Tanforan on El Camino Real, forcing them to the side of the road before Carlson was taken into custody.

$400,000,000 construction program under way on the Pacific Coast

During the next five years, a four hundred million dollar construction program is planned to improve and expand telephone service on the Pacific Coast.

This program is already under way and is going ahead steadily.

In 1946 alone, more than 70 building projects, installation of eight billion feet of wire in exchange cable and construction of 200,000 miles of toll and long distance circuits are expected to be completed. Work will be started on the Western part of a nation-wide coaxial cable network for long distance and television transmission, and in the next few years many new services and improvements will be introduced.

For it is our purpose to grow with the West and to help the West grow—to provide an ever-widening, ever-improving telephone service.

THERE IS NO DISHWIPING IN A MODERN KITCHEN!
AUTOMATIC DISHWASHER
WASHES, RINSES, DRIES DISHES... CLEANS, DRIES GREASY POTS AND PANS

Remember when you first became the "good little sport" and dried your first cup and saucer? (And once "elected" you were a member for life!) Well, that's over now in the kitchen of this modern age.

With an Automatic Dishwasher you just stack dishes, cups, glasses and silverware in a wire basket, close a door, turn a knob and all are hygienically washed, rinsed and dried without your hands ever touching water. Pots, pans and skillets are all done this same easy way.

Ask about the Automatic Dishwasher at your appliance dealer's store. Talk to friends who use it. Put it down on your "must" list for that new kitchen you are planning.

Half-Million Street Plan Undertaken

Redwood City city councilmen have taken steps to assure the city of $529,000 street improvement program during 1946, a tabulation at the office of Charles Randlett, acting city engineer showed this week. The street improvement projects, covering 5.54 miles, are the first for Redwood City since before the war.

A total of seven projects at an approximated cost of $428,000, are city sponsored under street improvement regulations. The remaining five projects, at an approximate cost of $101,000 are planned by subdividers under private contractors. Such projects need only approval of the city government showing that they meet city standards.

Legal proceedings for the other projects are long. City Atty. Paul A. McCarthy outlined the proceedings necessary for council to carry out street improvements today, listing eight major actions. He said that on recei,pt of a petition from the owners of land fronting proposed projects, the council passes a resolution of preliminary determination, informing all owners of land affected that a hearing will be conducted to determine whether such improvements are feasible.

Should a hearing determine that improvements are feasible, the council then orders the city engineer to prepare plans and specifications for the job. When these plans are completed or modified another hearing is scheduled at which time land owners may submit written protests. If owners of 51 per cent of the land affected protest at this hearing, council may not make any move to have the construction started for at least six months unless the proposal is for a sewer or other sanitary project.

Should the hearing show that a majority of the land owners do not disapprove, council then orders that bids be called for from contractors. Council awards contracts to the lowest bidder and the work is started. On completion of the work land owners have two methods of payment. They can pay cash on receipt of a bill from contractors or if they do not pay cash, bonds against their property are issued by the city and given to contractors. These bonds usually call for a 6 per cent interest.

Following is a tabulation from Randlett's office on the seven city sponsored street improvement projects:

1. Cassia St. between Spring St. and Broadway; Beech St. between Spring and Broadway; Bay Rd. between Beech and Chestnut St. Council has reached that point in proceedings where it has directed preparations of plans. Plans are partially complete for the .23 of a mile project which will cost approximately $12,000.

2. Broadway No. 3 project. This calls for improvements on Ligouri St. between Maple St. and Chestnut; on Maple between Broadway and Bradford St.; and on Beech between Broadway and Ligouri. Council has passed a resolution of preliminary determination and plans are partially completed. Miles: .51. Approximate cost: $83,000.

3. Hudson St. from Jefferson Ave. to Woodside Rd. A hearing on a resolution of preliminary determination has been set for Apr. 15. Plans have not been started. Miles: .87. Approximate cost: $49,000.

4. Redwood Villa Park and Hess Rd. A hearing on a resolution of preliminary determination has been set for May 6. Plans: not started. Miles: 1.03. Approximate cost: $55,000.

5. Madison Ave. between Quartz St. and city limits; Topaz St. between Vera Ave. and Jefferson Ave.; Sapphire St. between Vera and Jefferson; Ruby St. between Vera and Jefferson; Quartz between Vera and Madison; Vera, between Valota Rd. and city limits, and Taft St. between Roosevelt Ave. and Vera. Council passed a resolution of preliminary determination Apr. 1. Plans not started. Miles: 1.10. Approximate cost: $87,000.

6. Circle Rd. from Hopkins Ave. to West Union Rd. Council has directed preparation of plans which have not yet been started. Miles: .09. Cost: $7000.

7. Redwood Terrace No. 1. Council has passed a resolution of preliminary determination and plans are partially completed. Miles: 1.36. Cost: $135,000.

The following five projects are sponsored by subdividers and are proceeding under private contractors.

1. Redwood Terrace No. 2. Plans underway. Miles: .91. Cost: $70,000
2. Johnson St. from Vera to Roosevelt. Under construction. Miles: .14 Cost: $11,000.
3. Poplar St., 390 feet between Addison St. and Ebener Ave. Plans under way. Miles: .07. Cost $5000.
4. Poplar St. from Hudson Ave. to Ebener. Plans under way. Miles: .07. Cost: $5000.
5. Hampton Ct. Under construction. Miles: .13. Cost: $10,000.

R.C. Kiwanians' Program Related

Redwood City Kiwanis Club was included in the news in the current issue of the Kiwanis Magazine under the heading of "Redwood City Adds Morale to Rehabilitation."

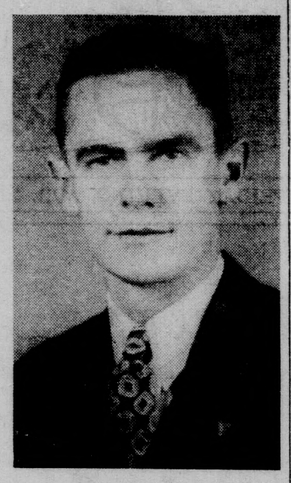
The story related the Kiwanians' part in rehabilitating patients at Dibble General Hospital at Menlo Park.

"The project started," the magazine states, "when Kiwanian Bert Werder (County Fire Warden Bert L. Werder) began taking, one at a time, the 2000 patients at Dibble General Hospital to the San Mateo County mountains for the day. They welcomed this opportunity for a restful relaxation with nature and the big trees. These one-day trips were most enjoyed and will live forever in the minds of the patients."

"Especially popular to the blind patients," the magazine continues, "was a treble clef of Redwood City's Sequoia Union High School girls under the leadership of Kiwanian Otis Carrington."

Other phases of the program also were related.

Triumph in Redwood City Election



Arthur V. Swift, above, William Werder, top right, and Carl A. (Ike) Britschgi captured the three posts on the Redwood City Council this week. Britschgi was the only incumbent running, since Evans A. Fletcher and Harold F. Anderson decided not to seek re-election. Slightly more than one-fourth of the 7910 voters balloted at 11 precincts, City Clerk Ralph Dodge reported. The newly elected city councilmen will take office next Tuesday night after the present council has canvassed the ballots. Mayor W. W. Hilton announced that next Monday's meeting will be adjourned until Tuesday, at which time the newcomers will be installed.

Deputies Halt Petting Party With Arrest

Chester Atterberry, 22, escaped prisoner of Los Angeles County, Monday awaited return to Southern California in the county jail here following his apprehension during a Skyline Blvd. petting party Saturday night.

Dep. Sheriffs Jack Hosford and Everett Haegney investigated a parked car in an artichoke patch on Skyline about 9 p.m. and found Atterberry in company with two girls and three sailors.

The deputies ordered them to drive on, and meanwhile checked the car's license plates to discover the automobile was on the "hot sheet."

They halted the car and took the group to Redwood City where Atterberry confessed his fugitive status.

He said he had escaped from Los Angeles Prison Camp 4 on Mar. 21, and had stolen the car on Apr. 4 after exchanging his prison garb for stolen army officer's trousers and a tweed coat. With stolen discharge papers, he headed for the Bay Area and stayed in Vallejo last Friday night, he said.

Atterberry met the two girls, Agnus Williams, 23, Oakland laundry worker, and Dwina Miller, 25, San Francisco waitress, at the beach in San Francisco.

He then offered a ride to three sailors on a pass from Mare Island Navy Hospital, Chief Dep. Walter J. Moore said.

The sailors, Lewis F. Holmer, 18, Richard H. Blazer, 18, and Adelbert E. Bradley, Jr., also 18, were released by authorities Sunday morning after being held on investigation charges.

The women are on probation from the Sonoma State Home, and are being held pending word from authorities there, Moore said.

Jail Addition Need Voiced

Need for additional psychopathic patient rooms at Community Hospital was emphasized by Chief Dep. Sheriff Walter J. Moore today as he reported a near-capacity number of inmates at the San Mateo County jail.

Two psychopathic cases were last night housed in a wash room so that they might be kept segregated from other inmates, and a third "psycho" slept in a finger print room, Moore said.

Fifty-eight inmates—only 10 short of crowded capacity—were housed in the jail last night, he added.

Present facilities include bunks for four women, four juveniles, 48 "sleepers" in cell blocks, and room for 12 men in the tank.

Moore pointed out an $18,000 addition planned to the present jail site on Middlefield Rd. will add only office space, and will not enlarge quarters for prisoners.

Segregation of prisoners limits facilities, particularly in the instances of women, juveniles and mental cases, he added.

The jail houses prisoners from all San Mateo County as well as from unincorporated areas, Moore explained.

San Mateo, Burlingame, San Bruno, South San Francisco and Daly City have overnight jail facilities, but quarters are designed for only short stays.

Redwood City, San Carlos, Menlo Park, Atherton and Belmont have no jail facilities, and book all prisoners at the county jail.

Two More R.C. Men Receive Discharges

Two Redwood City men were honorably discharged from the U. S. Navy Personnel Separation Center, Camp Shoemaker, over the past weekend. They were S1/c Alfred G. Wiger, 240 Topaz St., and Coxswain Herbert T. Ellis, 2020 Oak Knoll Dr.

R.C. Motorist In Fatal Accident

Walter Dunn, 27, 271 Myrtle St., Redwood City, was driver of an automobile into which a 17-year-old motorcyclist crashed to his death Sunday on the Saratoga-Los Gatos Rd.

Eugene P. Kay, of San Francisco, clipped the fender of a car driven by Harry Stryker Jr., also of San Francisco, as the youth attempted to pass, and his motorcycle careened into the side of Dunn's car, authorities said.

Asks $50,000 For Wife's Death

John Eells today asked $50,000 general damages for his wife's death as the result of an East Palo Alto intersection collision Nov. 16, 1945.

Ralph W. Rogers, a New Mexico resident who was recently acquitted of manslaughter charges in connection with the accident, is named defendant.

Eells declared in his complaint that he is incapacitated, and that his wife, a nurse, was his sole support.

She left a daughter, Betty Walker.

Clipper Service To Honolulu Starts

Pan-American World Airways inaugurated Clipper plane service to Honolulu from Mills Field at 9 a. m. Monday when the giant plane soared skyward with 31 passengers and a flying schedule destined to bring Honoluiu within 9 hours 36 minutes from here.

The large plane will be used for daily service between the islands and Mills Field, and it is indicated there will be two flights daily from here starting within three weeks.

The last of the Boeing seaplanes, used on the Honolulu run, landed at Mills Field Wednesday. The seaplanes maintained a 14 to 18-hour flying schedule between Mills Field and Honolulu. The Boeings, according to Pan-American officials, will be turned back to the RFC for resale.

14-Year-old Youth Charged With Burglary

Redwood City police arrested a 14-year-old boy Saturday at 10:15 p.m. on a charge of burglary and booked him at the San Mateo County juvenile detention home.

FBI Official Gives Advice on Youth Delinquency

Juvenile delinquency, rampant during the war years and showing no signs of waning, must be combatted by improving and making more effective the four spheres of influence — the home, the school, the church and the community.

This was the advice given to members of the Kiwanis Club at their luncheon meeting at the Sequoia Hotel here yesterday by H. C. Van Pelt, assistant special agent in charge of the San Francisco office of the Federal Bureau of Investigation.

The 'teen-agers who were problems during the war," said Van Pelt, "are now becoming post-graduates in crime and committing the more despicable offenses."

He cited statistics that showed that arrests of boys and girls under 18 years of age have increased in some fields of crime nearly 400 per cent since the last peacetime year of 1939.

The solution to the problem, the speaker stated, lay in improving the home, making the school more effective, extending the influence of the church utilizing fully all community facilities.

Van Pelt complimented the civilian co-operation given the FBI during the war, and expressed Dir. J. Edgar Hoover's appreciation of the support and assistance accorded the FBI by Police Chief C. L. (Mickey) Collins and the Redwood City Police Dept.

Red Cross Meeting Set for Apr. 25 Here

Graham Adams, chairman of Redwood City Chapter, American Red Cross, announced today that the organization's annual meeting will be held Apr. 25 at the city hall. Adams invited the public to attend and announced that every contributor is entitled to vote in the election of the executive board of 12.

In addition to conducting its election, the chapter will hear annual reports of all committees.

4 Charter Amendments Lose in Redwood City; Belmont Votes City Hall

Incumbents had a field day in the municipal election this week as all present city council members who were seeking re-election were returned to office.

Carl A. Britschgi, lone incumbent, was second man in the five-way race for three openings. William M. Werder, ex-lieutenant commander in the navy and former councilman, topped the vote here. Third place went to Arthur V. Swift, veteran Redwood City printer and leader in civic affairs.

Trailing in the fourth and fifth positions were Waldo Stone and J. Gene Barrett. Stone was also recently discharged from the service.

Redwood City residents showed strong opposition to all of the proposed city charter amendments, turning down all but No. 3, which makes the city attorney and city engineer advisers to the planning commission, rather than voting members.

Amendments bringing the city clerk under the jurisdiction of the city council, rather than the city manager, one conferring powers on the city clerk, one concerning powers and duties of the Board of Port Commissioners, and one calling for raising the amounts of contracts that could be entered in to by the port commissioners without calling for competitive bidding were all defeated.

Owner Denies Union Charge

Union charges arising from a bargaining dispute at New Method Cleaners this week were denied by Andrew Panzick, co-owner.

Meanwhile, Henry Romiguiere, business agent of Cleaning and Dye House Workers, Local 7 (AFL), today said he would ask a union boycott of the establishment.

Panzick declared approximately 10 employes had not signed up with the union "as far as I know," and that he would sign a union contract only if asked to do so by his employes.

Romiguiere said the dispute also involved three San Francisco cleaning stores owned by Panzick and Jack Baron.

Panzick added drivers here had voted against joining Laundry and Dry Cleaning Drivers Local 256 which is also involved in the San Francisco dispute.

Executive committee of the San Mateo County Central Labor Council will meet Frdiay night to hear the union's request for a boycott.

Len Casanova, assistant coach at Santa Clara University, addressed the Redwood City Exchange Club this week on his experiences in the navy during World War II. Casanova, former member of the club, was introduced by Al Robertson.

Man Found Guilty Of Check Charge

John J. Davis, charged with passing fictitious checks in Burlingame, Monday was sentenced to serve eight months in the county jail by Judge Edmund Scott.

Indecent Exposure Charge Jails Youth

Redwood City police arrested Maurice H. Harding Jr., 19, 1727 Middlefield Rd., this week, at 3:30 p. m. on a charge of indecent exposure.

Beula Mae Stevenson, 1326 Hancock St., in a complaint said that the ex-soldier was exposed indecently in an automobile parked on Main St. near Chestnut St.

Charges Wife Married To Get Out of Army

Annulment of a "purported" marriage performed in Wilmington, Del., was asked here Monday by John R. McClure, who said his wife, an ex-army nurse, married him solely for the purpose of securing her release from military service.

McClure said Antionette B. McClure failed to go with him to Idaho where he was employed by his father prior to his entering the army.
